

Merging your EBSCO accounts

To merge your EBSCO accounts, follow these simple steps:

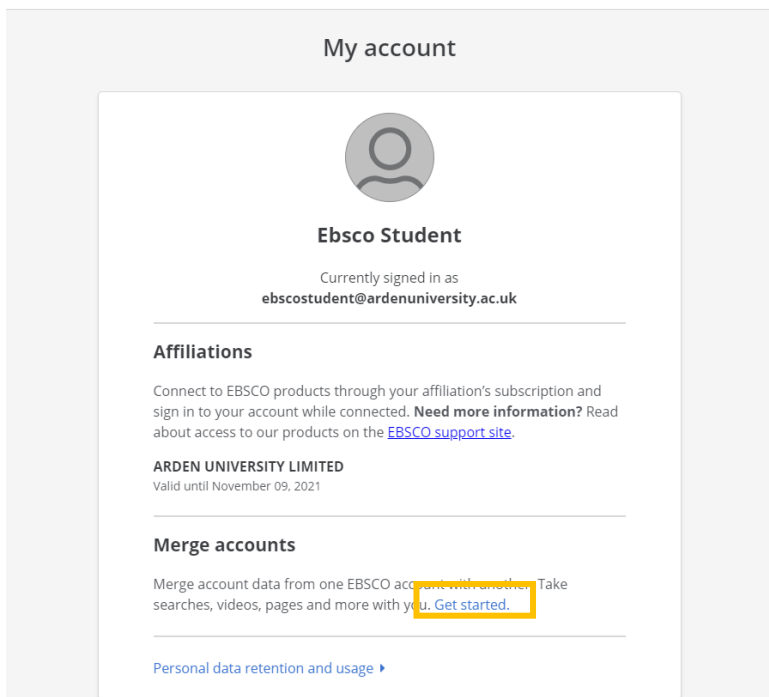

1. Access the new EBSCO Library by performing a search from the central search box in the new Library Portal

2. Click "Update My Account".

3. Click "Get Started"

4. Click "Sign into your second account"

Merge accounts

●○○

Take it with you

Merge user account data from one EBSCO account to another (personal user account).

To continue, please sign in to a different personal user account which you would like to merge into your current account. You must own both accounts.

Currently signed in as
ebscostudent@ardenuniversity.ac.uk

[Sign in to your second account](#)

5. Sign in using your prior EBSCO account details (the ones you used before the launch of the new Library Portal).
